

## HEY KIDS 12 and under! You can design too!

- 1** You draw your idea for something you'd like to see made out of glass. (Designs should be on 8.5 x 11" paper. You can use crayons, markers, paint, create a collage, etc. The design is totally up to you—be creative!)
- 2** You fill out this form and staple it behind your design. Mail both to Minnetrista or drop off to our front desk by September 1, 2018.
- 3** Minnetrista and The Glick Center for Glass staff and students will choose winning designs by September 15 (12 designs).
- 4** If your design is chosen, we'll invite you and your family to come to The Glick Center for Glass, free of charge, on September 29, 2018 to watch your design come to life in glass.
- 5** We will include your design in the *Imagine In Glass* exhibition at Minnetrista from October 12, 2018 through January 6, 2019.
